

TRIAGE TUESDAYS

Triage Tuesdays

- ◆ The intent of Triage Tuesdays is to increase the awareness of ED staff and EMS crews in implementing the use of triage tags and utilizing patient tracking due to a mass casualty event.
- ◆ Triage Tuesday is practiced in the Bluegrass Region on the first Tuesday of each month.
- ◆ On Triage Tuesdays each EMS run into the admitting ED should utilize a “Triage Tag” with the exception of cardiac arrest and behavioral patients.
- ◆ Utilize the use of a triage tag as appropriate. Ensure ED staff understand its function and use.
- ◆ Download the app onto a tablet or smart device and enter patient’s information in the Regional Patient Tracking system.

**** If triage tags are needed please reach out to contacts below.**
